

PRODUCT CHANGE NOTIFICATION

PANEL CONTROLS

Bourns® Model PTV09A-5 Panel Controls

Design Change

Riverside, CA – January 20, 2020 – Effective immediately, Bourns is adding two slots to the corner bushing of the [Model PTV09A-5 Panel Controls](#). This change is being implemented by customer request to improve the product’s application adaptability, and to standardize bushings.

This change will have no effect on the fit, function, quality or reliability. The product’s form will change at the bushing corner.
