## Bourns® Model CDSOD323-T05M TVS Diode to be Discontinued

Riverside, California – May 13, 2019 – In accordance with our ongoing product lifecycle management procedure, Bourns has transferred the Model CDSOD323-T05M TVS Diode to an End of Product Life status. A lack of sales volume and diminishing demand necessitates this action.

The suggested replacement device, Model CDSOD323-T05C, is pin-to-pin compatible and functionally equivalent. Products purchased during this End of Product Life transition period will be covered by Bourns' standard warranty. Last Time Buy orders for these products will be considered non-cancellable and non-returnable.
